LETTER TO DRAFTSMAN WITH PROPOSED DRAWING CORRECTION  
UNDER 37 CFR §1.123 AND MPEP §§608.02(O) AND (R)

Assistant Commissioner of Patents  
Washington, DC 20231

Attention: Official Draftsman

SIR:

Pursuant to 37 CFR §1.123 and MPEP §§608.02(q) and 608.02(r), applicant hereby proposes insertion of Figures 13, 14, 15A, 15B, 16, and 17, which are taken from the texts of U.S. Ser. Nos. 438,128 (Figures 13, 14, 15A, 15B, and 16) and 452,227 (Figure 17), which are incorporated by amendment. The figure numbers have been changed from 1, 2, 3A, 3B, 5, and 1A to 13, 14, 15A, 15B, 16, and 17, respectively, to correspond to the numbering in the present application, as indicated on the accompanying sketch in permanent red ink. Figures 13 and 14 are submitted as formal drawings, and Figures 15A, 15B, 16, and 17 are submitted as informal drawings.

Applicant submits that the insertion of these drawings does not represent any new matter, only the incorporation of text from other specifications and the renumbering of figures so that they are numbered sequentially after Fig. 12, the last figure of the application as filed. Therefore, applicant respectfully requests that the Examiner approve of these drawing corrections.

This letter is submitted in duplicate in accordance with  
MPEP §608.02(q).

Respectfully submitted,

By: GENENTECH, INC.
